Clarity 48%

Your speech was a bit difficult to understand in parts. This could be because you were speaking too quickly or not enunciating clearly. To improve clarity, focus on pronouncing each word fully, especially the ends of words. Try practicing slower speech to give yourself more time to articulate.

Pace 40%

LET'S TAKE A LOOK AT YOUR SPEECH!

I live in Malaysia. It's hot and humid, but it's a good place with a lot of good people. There are many things here, like universities and beaches.

View Transcript in Fullscreen

Clarity 80%

Your speech was mostly clear, and most words were easy to understand. However, there were a few moments where the pronunciation could be sharper. Try focusing on enunciating certain words more clearly to improve overall clarity. Keep up the great work—you're almost there!

Pace 72%

You spoke at a relatively good pace, but at

FYP PRESENTATION

Scores & Results (After Adv Echo)

Excellent clarity and confidence! Work on pitch control and emphasis. Slow down at key points for better engagement. Keep practicing!
